

Her Majesty Queen Elizabeth II

1926-2022

Can you imagine ...

being the most famous women in the world?

always having to be on your best behaviour?

always keeping complete control of your emotions while at the same time appearing sympathetic and understanding?

More than anything, can you imagine putting your own feelings and family second to service for your country?

Everyone in the world watching your life, and always having to live up to huge expectations?

An amazing woman

- Became Queen at 25 years of age
- Over her time on the throne she has been the Queen (Head of state) of 54 Commonwealth countries – 2.6 billion people (30% of the world)
- She has worked with 15 Prime Ministers of the UK and 13 US presidents
- She was a devoted wife to Prince Phillip for 73 years
- She has been a mother to 4 children, 8 grandchildren and 12 great-grandchildren
- 70 years as Queen – working every day to serve her country

In memory

Her Majesty
Queen Elizabeth II

1926 - 2022
