# Harlow Green Community Primary School

## SEND Policy

This policy links to articles: 1, 2, 3, 12, 23, 28 & 31.

### Introduction

### The School's Context

Harlow Green Community Primary School is a larger than average primary school serving a catchment area of average social and economic disadvantage. The school has a relatively low transient population. Pupils have a broad range of special educational needs including autism, speech and language difficulties, dyslexia, social, emotional and mental health needs and physical disabilities.

### National Context

This SEND policy is a response to the SEND Code of Practice, 2014, and resulting statutory requirements for schools:

Equality Act Sept 2010

Sections 36 – 50 of the Children and Families Act 2014

Care Act 2014

The Ofsted Evaluation Schedule 2010 expects schools to evaluate their effectiveness in promoting equal opportunity and tackling discrimination. This is a limiting judgement under leadership and management. This judgement is linked to the quality of learning for pupils with special educational needs and/or disabilities and their progress.

### Equality and Inclusion

We have a duty under the Equality Act 2010 towards individual disabled children. We will make reasonable adjustments, including the provision of auxiliary aids and services to prevent them being disadvantaged and within a new, purpose-built school we are able to offer an entire site which is accessible to all. We have a duty to prevent discrimination and we promote equality of opportunity and foster good relationships.

### Medical conditions

We will make arrangements to support pupils with medical conditions. We will ensure that an Individual Health Care plan is in place and deliver co-ordinated provision for those pupils.

## **Policy Statement**

All pupils are entitled to a broad, balanced, relevant and differentiated curriculum. The school will affect such entitlement by enabling appropriate access to the whole curriculum for all pupils. Pupils identified as having special educational needs will be supported at school level or through an Education, Health and Care needs plan (EHCP) in line with the Special Educational Needs and Disabilities Code of Practice guidance 2014. All pupils identified as having special educational needs will, at appropriate intervals, and with due regard to the Code of Practice, be reviewed and re-assessed. Provision for pupils with special educational needs will be met within the mainstream curriculum. As and where necessary, such provision will be supplemented by additional learning support and intervention paying attention to the pupils' individual needs and barriers to learning. It is expected that all pupils will have equal access to the Curriculum. All teachers will be made aware of, and be responsible for, pupils with special educational needs.

The school will ensure the provision of appropriate time, resources and in-service training to enable teachers to deal effectively with pupils with special educational needs and disabilities.

The school recognises the necessity to work in partnership with parents and will ensure that parents receive information on the statutory procedures and the outcomes for their children.

## **Principles and Objectives**

We have a responsibility to encourage excellent SEND practice throughout Harlow Green Community Primary School, for the benefit of all pupils. To encourage excellent practice we are committed to the following principles:-

- To ensure that all pupils' needs are identified, assessed and met;
- To ensure all staff are aware of disability equality and support positive outcomes for pupils;
- To provide flexible and sensitive support for pupil learning and cater for pupils' short and long term needs;
- To ensure that teaching staff are aware of pupil's need and to provide relevant information to inform their planning of classroom experiences;
- To give guidance on appropriate resources to meet the needs of the school and individual pupils;
- To enlist the support of qualified others who will help the school to ensure a high quality team approach to meeting pupil need;
- To establish a working partnership with parents to support pupil learning and development;
- To provide a framework for the monitoring, and evaluation of policy, practice and provision;
- To support appropriate in-service training for all staff;
- To keep the governing body informed of all aspects of learning support in school.

This policy will contribute to achieving these principles by ensuring that provision for pupils with SEND is a matter for the whole school and is a part of the continuous cycle of assessment and review which follows the SEND Code of Practice in terms of the graduated response of Assess, Plan, Do and Review.

## **Roles and responsibilities**

### **The Governing Body**

The Governing Body, in consultation with the Head Teacher, determines the school's general policy and approach to provision for pupils with SEND, establishes appropriate staffing and funding arrangements and maintains a general overview of the school's work.

The Governing Body, having regard to the Code of Practice:

- Ensures appropriate provision is made for any pupil with SEND;
- Reports annually to parents on the school's policy for pupils with SEND;
- Ensures that all pupils, including those with SEND have access to a broad and balanced curriculum;
- Appoints a qualified SENDCo to oversee SEND and have regard to the Equality Act 2010
- Undertakes discussions with parents regarding SEND matters at relevant meetings.

## **The Head Teacher**

The Head Teacher is responsible for the day-to-day management of all aspects of the school's work, including SEND. As part of the Leadership Team, the SENDCo takes on designated responsibilities and keeps the Governing Body informed of all developments with regard to SEND.

## **SENDCo and Role**

### **Role**

The main role of the SENDCo is to co-ordinate special needs and disabilities provision throughout the school. As the term 'special needs' can be defined in a variety of meaningful statements and because there is no real consensus as to what constitutes good special needs provision, it is imperative that the SENDCo has a clear vision of what special needs and special needs provision mean to the staff, parents and pupils of Harlow Green Community Primary School and thus co-ordinate provision to ensure meaningful learning experiences.

The SENDCo is responsible for:

- Coordinating all the support for children with special educational needs and disabilities (SEND) and developing the school's SEND Policy to make sure all children get a consistent, high quality response to meeting their needs in school.
- Ensuring that parents/carers are:
  - involved in supporting their child's learning
  - kept informed about the support their child is getting
  - involved in reviewing how they are doing
  - involved in planning for their child's future.
- Contacting other people who may be coming into school to help support a child's learning for example, an Educational Psychologist.
- Making sure that there are excellent records of a child's progress and needs.
- Providing specialist support for teachers and support staff in the school, so they can help pupils with SEND in the school make the best possible progress.
- Supporting class teachers in writing Support Plans that specify a child's targets.
- Ensuring that all staff working with the student in school are supported to deliver the planned work/programme so the student can make the best possible progress. This may involve the use of additional adults, outside specialist help and specially planned work and resources.
- Meeting with the SEND link governor once per term.

**See Appendix A for additional duties of SENDCO**

All Gateshead Local Authority (LA) maintained schools have a similar approach to meeting the needs of pupils with Special Educational Needs and are supported by the LA to ensure that all pupils, regardless of their specific needs, make the best possible progress in school. The SEND Threshold Documents has been implemented throughout the local authority to ensure excellent outcomes for all.

All schools are supported to be as inclusive as possible, with the needs of pupils with Special Educational Needs and Disabilities (SEND) being met in a mainstream setting wherever possible.

The broad areas of SEND need are:

- Communication and Interaction.
- Cognition and Learning.
- Social, Emotional and Mental Health Difficulties.
- Sensory and/or Physical.

### **Implementing the SEND Policy across the school**

The school accepts its duty to its pupils and acknowledges that many pupils may at some time, experience difficulty with their learning. All teachers are teachers of SEND and will be responsible for pupils who are experiencing difficulties. As a supportive, caring staff we will ensure that such difficulties are identified as quickly, positively and effectively as possible.

The school SENDCo, Mrs L Softley, is a qualified teacher who is completing her National Professional Qualification for Headship (NPQH) and will then move towards an appropriate SEND based programme.

The school's designated governor for SEND is Mrs Helen Jarvis.

### **Admissions**

#### **Priority in admission**

The school's admission policy reflects LA guidelines on the admission of pupils with special educational needs. This policy is reviewed as and when required. The SENDCo attempts to meet with parents of pupils with special educational needs at the earliest possible opportunity.

### **SEND Provision**

High quality teaching, differentiated for individual pupils is provided for all pupils who have or may have SEND. The quality of teaching is reviewed regularly for all pupils including those at risk of underachievement.

## **Identification procedures**

To assist with the early identification of pupils with special educational needs and disabilities, the teacher and SENDCo will consider all of the information gathered from within the school and will include early discussions with the pupil and their parents. High quality and accurate assessments will be carried out using effective tools and early assessment materials.

The general process will be as follows:

- The school follows the Assess/Plan/Do/Review response to additional needs set out in the SEN Code of Practice 2014.
- Where teachers have an initial concern regarding a pupil, then the SENDCo should be consulted prior to a 'Concerns' form being completed by the teacher.
- Following the identification of these initial concerns, pupil progress will be monitored, observations may be carried out over a period of time (6-8 weeks)
- Only after a cycle of Plan/Do/Review has been carried out will pupils then be considered for the SEN Register. A meeting will be held with parents to discuss concerns.
- The class teacher along with the relevant staff must have made available relevant data regarding progress and must provide evidence of the child working significantly below age-related expectations, alongside evidence of what interventions/provision has been made to meet these needs.
- Once parents agree to register the pupil the child placed on the SEN register. (If a parent fails to attend appointments, then they will be notified by letter or telephone call).

If SEND provision is required, it will be based on the desired outcomes along with the expected progress and attainment. The views of the pupil and their parents will be included.

## **Support in School**

When a pupil is identified as needing SEND support, we will take action to successfully identify and remove barriers to learning and put effective SEND provision in place.

## **Assessment**

In order to support pupils who have identified SEND, we adopt a graduated response that encompasses a full range of strategies from Quality First Teaching to individualised support/provision in order to meet the need.

The class teacher and SENDCo will carry out a clear analysis of the pupil's needs. This will be based on a range of information and assessments that are relevant so that the intervention can be accurately matched to need so that barriers to learning are overcome.

At Harlow Green Primary, we use the LA graduated approach and guidance from the Gateshead SEND Thresholds Document 2024. The Threshold Document will be used as a reference point in relation to the identification of the level of need.

## **Planning**

The class teacher and SENDCo will agree in consultation with parents and the pupil, any adjustments, support and intervention to be put in place. Targets will be set and a plan of action agreed, which will take the form of a Support Plan detailing any intervention or provision additional to the normal differentiated quality first curriculum. Targets will be SMART (Specific, Measurable, Achievable, Realistic and Times); they will be discussed with pupils and agreed with parents using language that both parties can understand. All teachers and support staff who work with the pupil will be aware of the pupil's needs, the desired outcomes for the pupil, the support provided and any teaching strategies or approaches that are required.

Where appropriate, the pupil will also take part in the review process and be involved in setting targets.

Plans will be electronic and on the school's curriculum server in a password protected file. Copies will be printed for meetings with parent/carers provided with one to take. All other copies will be shredded.

## **Intervention**

Any support and intervention provided will be selected to meet the outcomes identified for the pupil. The class teacher will be responsible for working with the child on a daily basis and where interventions involve group, or one to one teaching away from the main class, they will also remain responsible for the pupil. They will work closely with teaching assistants or specialist staff to plan, monitor and assess the impact of the support or intervention.

## **Individual Support Plans**

We will provide a plan of support and intervention. This plan will outline the strategies and interventions required to remove barriers to learning

Targets will be set and a plan of action agreed, which will take the form of a Support Plan detailing any intervention or provision additional to the normal differentiated quality first curriculum. Targets will be SMART (Specific, Measurable, Achievable, Realistic and Times); they will be discussed with pupils and agreed with parents using language that both parties can understand.

## **Reviewing**

The impact and effectiveness of the support will be reviewed in line with an agreed date.

## **Requesting an Education, Health and Care needs assessment**

The effectiveness of SEND Support will be monitored and reviewed in terms of its success in achieving the agreed outcomes. Despite having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil and expected progress has not been made, the school and parents may consider requesting an Education, Health and Care needs plan (EHCP)

Following a request for an Education, Health and Care needs plan, the Local Authority will consider whether an EHCP needs assessment is necessary. To inform their decision the LA will need to take into account a wide range of evidence and will pay particular attention to:

- The pupil's academic attainment
- Information about the nature of the pupil's SEND
- Evidence of the action already being taken
- Evidence that where progress has been made it has only been due to additional support and intervention
- Relevant evidence from other educational professionals, health professionals or clinicians

The LA will notify the parents of their decision within a maximum of six weeks and will be responsible for ensuring there is effective co-ordination of all assessments and planning.

### **EAL Pupils**

Children must not be regarded as having a learning difficulty solely because the language or form of language of their home is different from the language in which they will be taught. However, some pupils may have SEND and will be supported appropriately. Links to ensure the correct support will be made by liaising with the EMTAS Service in addition to the other services provided within HINT.

### **Monitoring and Assessment Procedures**

Throughout a pupil's time at school, teaching staff use a number of strategies to monitor and assess pupil progress. They include:-

- Teacher assessment
- Target setting and pupil tracking.

Class Teachers, in conjunction with the SENDCo, provide continuous monitoring and assessment of pupils identified as having special educational needs and disabilities by:-

- Diagnostic and standardised tests to inform teacher planning and teaching;
- Recording of progress achieved through individual SEND programmes;
- PIVATS as appropriate.
- Pupil tracking carried out each term.
- Reviews.
- Reports and assessments from external agencies e.g. Educational Psychologist.

Where emotional or mental health difficulties are evident, class teachers will refer the pupil to the SENDCo who will discuss the issues relating to the pupil with the Head Teacher.

## **Parents/Carers**

Parents/carers will be made fully aware of, and consulted on any planned support and interventions. Where appropriate, parental involvement will be sought to reinforce or contribute to progress at home.

## **Supporting pupils**

Attention to pupil needs and progress is central to the caring ethos of the school. Monitoring and evaluation is an ongoing process. The monitoring of the SEND policy depends on close consultation between the SENDCo and Head Teacher.

## **Review Procedures**

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

The quality of the support and intervention will be evaluated, along with the views of the pupil and parents and any changes will be made in full consultation with the pupil and parents.

A pupil with an EHCP will have their plan reviewed every twelve months and the LA will require the school to convene and hold an annual review meeting where all relevant professionals and parents will meet together.

## **Curriculum and Provision**

### **Access Curriculum**

The SENDCo and the Leadership Team fully support the view that all pupils should, where possible, have full access to an appropriate curriculum suitable for their stage of developmental learning.

### **Curriculum Development and provision for SEND**

The SENDCo will:

- Participate in working groups, where appropriate, relating to development of the curriculum;
- Advise the Leadership Team re curriculum development;
- Direct in-class support;
- Discuss curriculum issues relating to SEND with Senior Management;
- Undertake INSET re curriculum development and SEND e.g. Phonics;
- Ensure all matters relating to SEND have a high profile across the school;

## **Assessment**

Class Teachers are using the Gateshead Assessment Profile (GAP) to assess attainment of year group expectations. At the end of each term, children are assessed using the Periodic Assessment Tracker (PAT). Teacher assessment and termly summative tests are used to make a judgement about a child's attainment.

## **Supporting the Curriculum**

Pupils with special educational needs and disabilities are supported across the curriculum in one or more of the following ways depending on need:-

- In class support, differentiation and access to stage approach learning.
- Targeted support, focusing on the barrier to learning
- Small group teaching, where appropriate
- Individual support sessions.

## **Intervention programmes**

To support children's specific needs, relevant and robust interventions play an important part in meeting need to support progress. Although there are constant developments in this area, there are a range of interventions that the school has access to when considering support which include:

- Read, Write, Inc Phonics Programme
- Toe by Toe
- Numeracy Plus 1, Power of 2 and Times Tables support
- Writing Programmes
- Guided Reading Materials (variety)
- Colourful Semantics
- Motor Skills Programme
- Nurture programme
- Tailored 1:1 support
- Catch Up Maths
- Catch Up Literacy
- Lexia
- Reading Plus

There will be regular evaluation of the interventions used in order to identify impact.

## **Inclusion**

### **Social**

Pupils are included fully into the life of the school. Mixed ability activities operate in all classes and all pupils participate in Key Stage activities.

### **Physical**

Pupils are included fully into the life of the school following guidelines from the Equality Act 2010.

## **INSET/Staff Development**

### **Plans**

- Whole school INSET on SEND matters will be delivered as and when the need arises;
- All staff will be made aware of INSET on offer and apply, as individuals, to the Staff Development Officer for relevant courses;
- The SENDCo and the Leadership Team will be a forum to discuss SEND matters and recommend whole school inset as and when the need arises;
- The Head Teacher can recommend INSET deemed necessary at any given time.

## **LA/National updates**

Gateshead Primary SENDCo meetings take place each term. Updates are provided and SENDCos can arrange to share resources and ideas.

## **External Support**

### **Gateshead Council Local Offer for pupil with SEND.**

<https://gateshead-localoffer.org/> .

Provision for pupils with special educational needs will be supported by Officers from the LA and other services, namely:-

- Primary School Colleagues;
- Early years Area SENDCos
- SEND School Improvement Team
- Psychological Service;
- Education Welfare Service;
- HINT (High Incidence Needs Team);
- LINT (Low Incidence Needs Team);
- Queen Elizabeth Hospital Child and Family Unit;

- School Medical Officer;
- Community Based Services;
- LA 'EMTAS' Liaison Service;
- Physiotherapy Service.

## **LA Agreement**

### **Accessing Specialist Support**

The school has developed and maintained strong links with specialists from the following areas:

- Primary School Colleagues
- Psychological Service
- SEND School Improvement Team
- HINT (High Incidence Needs Team)
- LINT (Low Incidence Needs Team)
- School Nurse
- EMTAS
- Physiotherapy
- Speech and Language therapists

### **Recording Concerns**

Parents are encouraged to contact the SENDCo or class teacher with any concerns regarding SEND issues. All contacts are noted and responded to. Parental view forms are distributed prior to review meetings

### **Comments included**

Parental views are included in the review documentation.

### **Informed/welcome**

Parents are kept informed of SEND issues by:-

- Attendance at SEND reviews;
- Attendance at Parent Consultation Evenings;
- Personal invitations to meet with the SENDCo, External agencies involved in support and/or the Educational Psychologist;
- Telephone contact;

The SENDCo, professionals involved in support and class teachers offer a friendly and supportive environment to parents at all times.

## **Pupil Involvement**

Children with special educational needs and disabilities often have a unique knowledge of their own needs and their views about what sort of help they would like to help them make the most of their education. They will be encouraged to participate in all the decision-making processes and contribute to the assessment of their needs, the review and transition processes where appropriate.

## **Complaints procedure**

Parents can contact school by telephone, letter or in person by an appointment. Concerns about provision for pupils with special educational needs and disabilities should be referred to the SENDCo and for learning and mental health difficulties.

The concern will be dealt with either through a letter, a phone conversation or an appointment arranged in school to discuss the matter. The SENDCo may need to involve other personnel e.g. the Educational Psychologist at some stage.

The Code of Practice 2014 sets out procedure for complaints about provision. Parents are informed of their rights in the documentation from the LA. The school will advise parents on provision outlined in the statement if this is requested. Parents have the opportunity through response to the school report system and review meetings to alert the school to concerns or issues. If a parent continues to be dissatisfied, then the issue should be referred to the Head Teacher and or the LA.

## **Transition**

### **In School**

All children with special educational needs receive a transition review in the Summer Term.

### **Between Schools**

Before transition to Secondary Schools, relevant SEND information is transferred during the Summer Term of Y6 and the new school is invited to a transition review. Some pupils receive additional transition support where necessary and more frequent visits may take place depending on individual needs.

### **Reporting to Governors**

An annual report to governors will provide information on pupil outcomes and current SEND provision.
